

SATA Council Nominations—2023—Councilor at Large

Arun Uthayashankar, MD

Lahey Hospital and Medical Center

Assistant Clinical Professor, Tufts University School of Medicine

Director of Transplant Anesthesia

SATA MEMBERSHIP: 6

Role in SATA:

Member

Quality and Standards Committee

My past: During my Transplant Anesthesia fellowship at Lahey Hospital and Medical Center in 2017, I had the amazing opportunity to do 100 liver and 50 kidney transplants. After fellowship, I practiced at Hartford Hospital, where I was in a leadership role for Transplant Subspecialty as well as in the Executive committee of Anesthesiology department. I was also an active participant in the very first New England chapter of SATA meeting held virtually in 2021 and had given a lecture on Coagulation.

Present: I'm currently serving as the Director of Transplant Anesthesiology at Lahey Hospital and Medical center for the past 8 months. This has been a robust year clinically for us as well with regards to some new initiatives we have taken so far - participation in SATA Redcap Database, involvement in Angiotensin study by UCLA, to name a few.

My vision for the immediate future is to improve the robustness of communication between transplant programs, especially the smaller programs and to improve their participation in SATA. I would also like to make it very ap-
