

SATA Council Nominations—2023—Councilor at Large

Srikanth Sridhar, MD, FASA

McGovern Medical School at UTHealth Houston, Houston TX,

Memorial Hermann Hospital-Texas Medical Center, Houston, TX

Associate Professor, Department of Anesthesiology, Critical Care, and Pain Medicine

SATA Membership: 5 (2018-present)

Roles in SATA:

Quality and Standards Committee Member

Pediatric Transplant Committee

I have been a member of SATA for the past 5 years and watched the dedication of transplant anesthesiologists to advancing the subspecialty with great interest. I am now at a point in my career where I feel I can positively contribute to this effort and would like to take a larger and more active role in SATA to support this subspecialty that has been such an important part of my career. I believe the areas where I can provide the greatest contribution are in the areas of pediatric transplant (particularly as an anesthesiologist that does both adult and pediatric care for liver, kidney, and pancreas transplant) and in quality and safety (where I have developed leadership both locally and nationally). I believe my role in a mid-size program can bring a fresh perspective to the SATA leadership community, and this perspective would be of great value to the organization. Given the opportunity to serve as Councilor for SATA, I hope to aid in the advancement of transplant anes-
